WHAT COUNTED.

The candidate kissed the baby,
Rabbed the hands of Sam and Sue;
He swore the twins were beautiful
And wished that he had two—
But that doesn't count.

He asked about the corn bread
That he vainly tried to chew
And forthwith begged a recipe;
Of course that tickled maw—
But that doesn't count.

But just before he left he winked
And then closed up his jaw,
And slipped right out behind the barn
And took a drink with paw—
And that's what counts.

Unimpeachable
 Is the one word that best describes the style of Creighbaum Clothes. Creighbaum-tailored means hand-tailored, and hand-tailored means that style is literally worked into the garments in a way that makes them distinctly correct. One of the functions of tailoring is to avoid the common-plate, yet to secure this distinctiveness you need not pay the soaring prices of ready-maders. Pay me \$18.48 for a Suit or Overcoat to measure and you get all of the style—the very best style—but a saving of a half to one-third over the prices of other good shops. KING EDWARD is 68 years old, and during the most of those years he has had a perfectly corking time.—Chicago Tribune.

THE New York World wants to pluck the plum of comfort from the thorn of defeat when it claims—

"Although Mr. BRYAN is worse defeated than ever before, The World believes that the Democratic party is in better condition today than it has been since 1892."

NOW WHEN the election is over and peace and quiet should reign over a happy people, politics is about to break out in a new place—in Ohio, where the fight for Senator FORAKER's seat is going to be the warmest seen in many years. The able FORAKER has made many enemies, and every one of them is lining up to swipe him one just for old acquaintance sake. Our opinion is that FORAKER is going to let himself down and out as easily as possible. There is absolutely no hope of ever electing him to another office, and he doubtless knows it well. He has been a war horse in his time, but the period of his retirement is at hand, and as he is worth a mint of money he should not care.

 Stranger—How is that? Before the election you said they were Bryan pups and that I could have one for \$5.
 Dogseller—I know that, but they've got their eyes open now.

More proof that Lydia E. Pinkham's Vegetable Compound saves women from surgical operations. Mrs. S. A. Williams, of Gardiner, Maine, writes:

"I was a great sufferer from female troubles, and Lydia E. Pinkham's Vegetable Compound restored me to health in three months, after my physician declared that an operation was absolutely necessary."

Mrs. Alvina Sperling, of 154 Cleybourne Ave., Chicago, Ill., writes: "I suffered from female troubles, a tumor and much inflammation. Two of the best doctors in Chicago decided that an operation was necessary to save my life. Lydia E. Pinkham's Vegetable Compound entirely cured me without an operation."

FACTS FOR SICK WOMEN. For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it?
 Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

MR. JOHN KINNEY
 A Prominent Indianapolis Lawyer, Says, "After Grippe Take Vinol. It Built Me Up and Made Me Feel Strong."

"The grippe left me in a nervous, weakened run-down condition. Nothing seemed to restore my strength. At last I tried Vinol, with the very best of results. It built me up and made me feel like a different man, and I am now better and stronger than I have been for years." John Kinney, Indianapolis, Ind.

This is because Vinol is a genuine tonic and body builder which contains peptonate-of-iron together with every one of the body-building medicinal elements of cod liver oil, but without one drop of oil to upset the stomach and retard its work. Vinol acts directly on the stomach, creates a healthy appetite, and enables the digestive organs to obtain the necessary elements from the food eaten to make rich, red blood, healthy flesh and muscle tissue and create strength.

7,000 TURKEYS 5,000 RABBITS

Is Maysville's Contribution to the Thanksgiving Period—A Carload of Rabbits Shipped

Although the hunting season has been open for only three "shooting days," yet the number of rabbits killed and brought into the Maysville market reached over 7,000 up to last night.

Mr. E. L. Manchester, the Manager of the Keystone Commercial Co., informs THE LEDGER that he made a shipment of a carload of rabbits, a total of 5,000, to Cincinnati last night. This was the largest pile of dead bunnies THE LEDGER reporter ever saw at once and the sight was enough to make the small boy's eyes pop out or dance with delight. The cottontails are not very fat this year, owing to the drouth, but they find a ready sale in the big cities and at good prices.

Up to the present time the Keystone Commercial Company has slaughtered and shipped to Pittsburgh 5,000 turkeys and by next Wednesday the total will amount to 7,000. A shipment of 1,000 of these will be made "on foot," i. e., not plucked, but the other 6,000 will all be "dressed" and ready for the oven and the trimmings.

The Christmas turkey market is yet to be supplied and the total handled by this one firm will be about 12,000.

Other Maysville firms will also handle several thousand, which will help swell the total to 15,000 turkeys.

Fleming Gazette.

Brent & Lynch, after slaughtering about 9,000 turkeys here, will close this week until after Thanksgiving. They will open up again for business December 1st.

Carlisle Advocate.

The past ten days have been lively for the turkey. It has been nothing uncommon to see droves of from 300 to 1,000 on our streets once or twice a day. There were two droves came in Saturday with 1,000 each.

John Stewart, Manager of Brent Bros.' slaughtering pens at this point, with his assistant, James Hamm, have, up to date, shipped 10,500 turkeys, or six carloads. The pens will close today until about the first week in December. The amount of money paid out for these turkeys will reach \$16,000, including amount paid out for picking and killing. They slaughtered 3,000 Monday and Tuesday.

DAYTON, OHIO, November 19th.—Bids for 500 dressed turkeys for the Thanksgiving feast were received by the Commissary Department of the Soldiers' Home today. Several hundred gallons of oysters will also enter into the menu.

Saturday a drove of 3,500 turkeys was driven into Carlisle by East Union parties and another one of 2,000 followed.

Smallpox is in Bath county.

No rain fell in the valley during the past twenty-four hours, and the rivers continue practically stationary.

Lydia Thompson, one of the greatest burlesque players of former days, died in London Tuesday at the age of 72.

Albert Nichols, 16 years of age, of Newport, died Wednesday morning of lockjaw. Fearing a burglar was about to attack him, he awoke suddenly, and while getting a pistol from under his pillow the weapon was discharged and the wad from a blank cartridge lodged in his left hand.

THE PEOPLE ALL

In Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes." Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, The. Take Hall's Family Pills for constipation.

The Lexington Herald Defendant in a \$5,000 Damage Case

Oscar Morgan of Mayslick, through his Attorney C. B. Morford, has filed suit in the Mason Circuit Court against The Lexington Herald for maligning of character, and asks that he be given \$5,000 as damages and compensation for the injury he has sustained to his good name in consequence of the evil and false report published in said newspaper regarding his person.

The objectionable article was sent out from Ewing by the correspondent at that place, and dealt with matters pertaining to burning at Mayslick some months ago.

Mr. and Mrs. W. H. Thomas and daughter, Miss Clara May, and Mrs. Jennie T. Nelson of Dover will soon move to Georgetown, Ohio, where the former has rented the Biela Hotel there and the ladies will assist in the management of it. Dover will miss these good citizens very much.

Messrs. William H. Wadsworth and Frank Owens left this morning for Los Angeles, Cal. Both young gentlemen have positions awaiting them on their arrival in the land of perennial sunshine and flowers. They will carry with them the best wishes of a host of friends here for health, happiness and success.

Major W. H. Means and Mr. Houston Hall returned last night from a hunting trip in Fleming county and they succeeded in bagging a good supply of birds and rabbits. It is reported that the gallant Major shot at a dead bird which some one had very thoughtfully tied to a bush. All jokes are free in the hunting season.

THE PERFECT WAY.

Scores of Maysville Citizens Have Learned It.

If you suffer from backache,
There is only one way to cure it.
The perfect way is to cure the kidneys.
A bad back means sick kidneys.
Neglect it, urinary troubles follow.
Doan's Kidney Pills are made for kidneys only.

James Wells, living on Front street, Vanceburg, Ky., says:

"About one month before I began using Doan's Kidney Pills my back began to ache and pain and caused me a great deal of annoyance. I knew that if the trouble was not eradicated it might prove fatal. Often when I came home at night and went to bed the trouble was so severe that I had to continually change my position, and during the day I had to pass the secretions every little while. A friend advised me to try Doan's Kidney Pills. I procured them and the use of one box entirely cured me. I have had no symptom of kidney trouble since and give the credit to Doan's Kidney Pills."

Plenty more proof like this from Maysville people. Call at J. Jas. Wood & Son's Drugstore and ask what their customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Mrs. Alexene Russell Atkinson, formerly of this city, has secured a position as stenographer at the First National Bank at Lexington.

Hiram Jones, aged about 68, died suddenly of heart trouble while driving Tuesday with his wife from their home near Wallingford to Flemingsburg.

Mayor W. E. Stallcup and Captain C. M. Pfister of this city and Captain Oscar F. Barrett of Dayton are among the delegates appointed by Governor Willson to represent Kentucky at the National Rivers and Harbors Convention to be held in Washington City December 9th to 11th.

Fleming Gazette: "Joseph Hendrick was at Springdale, in Mason county, yesterday and made a bid on a bunch of horses and mules belonging to a contractor who has been engaged at laying the large gas mains which are to extend from the natural gas territory in West Virginia to Cincinnati. The contractor disagreed with the company and quit work."

Belmont county, Ohio, local option election held Tuesday gave a dry majority of 2,473. The river towns, Bellaire, Martin's Ferry and Bridgeport, were looked to for a large wet vote, but only polled an average of 250 for the wets.

There are 91 saloons and two breweries in the county. St. Clairsville, the county seat, went dry by a majority of 77, one of the largest votes in the history of the county being cast.

Out of a total of 17,000 votes there were 15,275 voters who went to the polls. After the result was announced there was great rejoicing at the county seat. The Church bells were rung and the band paraded the streets of the town.

"If the saloons that have been forced out of business were placed side by side," said Superintendent Wheeler, "they would make a street seven miles long."

Today Lake county will vote and on Friday Richland county will test the question. Next Monday Sandusky, Fulton, Huron and Jefferson will have elections.

Gage marks 3.0 and stationary.

I therefore let you know that I shall recommend them to any one suffering from such troubles." Chas. H. Halpern, 114 E. 11th St., New York, N. Y.

High-Grade Butchering Drugs

The Pure Food and Drug Laws may prevent the adulteration of food products, but such laws do not guard you against inferior quality. Decidedly poor spices may clear the law. The way to guard against the poor kinds is to buy where high-grade goods only are sold. During the butchering season you'll need

Sage,
Black Pepper,
Cayenne, Etc.

Let us supply you. We have them strictly fresh and the best grades of each that the market affords. There's economy in their use because they are of extra strength as well as of finest flavor, and will cost you no more than inferior goods.

"LIVES OF GREAT MEN ALL
REMINDS US"

The story of how Marshall Field amassed his great fortune may be told in a few words. He had something to sell and advertised it.

NO MAN

DELIBERATELY BUYS
POOR CLOTHES.

He thinks their good, worth the money, or he doesn't want them. Just the same, lots of men are paying their good money for cheap cotton mixed goods and they think they are being real economical because they get such clothes for a little less than all wool would cost. This cotton-mixed stuff is very deceiving, even expert clothing men find it difficult at times to tell whether or not a fabric has cotton in it. As for the inexperienced wearer, we've seen fabrics that looked good enough to sell for \$20 for the suit that was at least 60 per cent. cotton and really worth about \$6 the suit. You get no such "flim-flam" when you trade with us. Thirty years selling good clothes enables us to separate the "sheep from the goats." When we say all wool we live up to it.
